Fleet Memo #30: New Designated Person Ashore

This Fleet Memo is to announce that we have transitioned to a new Designated Person Ashore. **Mr. Pete Tatro** joined our senior management team several weeks ago, has been focusing on marine side issues, and has now agreed to accept the DPA position, freeing Bernie Bernard to focus more fully on our services side.

A former U.S. Navy submarine officer, Mr. Tatro has over 30 years experience leading marine and technical organizations and has a proven track record in successful strategic and business planning for large scale domestic and international projects. His leadership experience at Harbor Branch Oceanographic Institute at Florida Atlantic University make him particularly qualified to address both the vessel and technical aspects of TDI-Brooks's operations.

You may still contact the DPA through the dpa@tdi-bi.com e-mail address. Every senior manager, including Jim Brooks and Bernie Bernard, is on that distribution e-mail.
